

On behalf of the Center of Hope Foundation Holiday Giving Program, we are providing some assistance to families in distress with holiday gifts and other special supports to these families of persons with medical, physical and/or cognitive limitations. **Those eligible for this program are program members receiving services through any of the Center of Hope's programs and people that are referred by a Center of Hope employee and/or staff who need an extra helping hand.** If you or someone you know is facing a financial burden during this season, we would like to help. We are now accepting request forms.

Center of Hope Holiday Giving Program

Those eligible for this program are program members receiving services through any of the Center of Hope's programs and people that are referred by a Center of Hope employee or staff who need an extra helping hand. All requests must be received by December 12th.
