Come join us at the Center of Hope for a delightful day of golf as we pay tribute to our dear friends, Dick, Rick & Judy Hoyt. Your generous support goes a long way in transforming the lives of those we serve. Our programs are not just a place for acquiring skills, forming friendships, and creating beautiful memories, but also for discovering oneself and leading productive lives. More importantly, they are a sanctuary for our program members, where they are treated with utmost respect and dignity. We empower them with hope, so they can build a brighter future for themselves.
